

TWIC Compliance for Delaware Bay & Sunoco Northeast Refining!

Transportation
Security
Administration

TWIC Compliance for Port-Sector Delaware Bay must be implemented by December 30th, 2008

- The Department of Homeland Security and the United States Coast Guard issued the Federal Register (Volume 73, Number 168) on August 28th, 2008
- Owners and operators of facilities located within Captain of the **Port Sector Delaware Bay** must implement access control procedures utilizing TWIC no later than **December 30th, 2008**
- Sunoco facilities in Philadelphia, Marcus Hook and Eagle Point will be subject to the December 30th compliance date
- All persons entering, while in and exiting our facilities will be required to have a TWIC
- Facility access will be denied for persons who do not possess a valid TWIC

All questions and concerns can be directed to the Sunoco NER TWIC hotline at **(610) 859-6466**. Thank you for your cooperation and support.
