Dear Member:

Please be advised, evening courses for Building Trades Journeymen (BTJ) Members are being formed for Fall/Spring. Registration for evening courses is available by completing the bottom-portion of this letter and returning it to the Training Center. Due to the overwhelming response generated by this letter, please do not contact the training school to verbally, register for the courses listed below.

Note: new OSHA regulation, as of Nov. 9, 2010 all signalpersons & riggers must be *Qualified*.

Upon receipt of your completed, **Registration Form**, your name will be placed on the requested, *Evening Course List(s)*. Once evening class registration is completed; and the evening courses are rostered, you will be contacted by telephone or mail with details regarding the start date and time of the course(s). Thank you for your consideration regarding our registration process.

Fraternally,

Anthony Gallagher
