ANTHONY GALLAGHER, Chairman

TIMOTHY J. BRINK, Secretary

Dear Member:

Steamfitters LU 420 is preparing for continuing education- evening courses for (BTJ) members which will be held at the Training Center starting in the fall. The following course selections will be offered and registration for the listed, evening classes is only available through the registration form process; please do not call the Training Center to register. Please review, complete and return the *Registration Form* listed below to the Training Center. In order to take advantage of evening classes, we kindly ask for your cooperation in the registration process. Once all registrations have been processed, your name will be placed on the selected course list(s) and you will be notified with complete details on the course start date.

Note: OSHA regulation for City of Philadelphia: effective, Nov. 9, 2010 all Signalpersons & Riggers must be Qualified.

Steamfitters LU 420 continues to provide highly trained, professional Journeymen/Journeywomen and supervisory members within the industry through your participation in our educational training programs and courses. Thank you for your time and consideration regarding the registration process.

Fraternally,

Anthony Gallagher
